

DAVENTRY DOLPHINS SWIMMING CLUB

DROPPING OFF, COLLECTING CHILDREN **AND** **KEEPING THEM SAFE**

Please escort your child / children into the Leisure Centre for their practice sessions. Very occasionally, sessions have had to be unavoidably cancelled at the last minute due to technical problems using the Pool. This will alleviate Club staff having to make emergency telephone calls to cancel a session and call you back to collect.

It is the responsibility of Parents / Guardians / Carers to make sure that their child / children are collected on time following their practice sessions or upon return from a competition where the swimmer(s) have travelled independently under the authority of Club Staff without their parents / guardians / carers. We ask that you come into the Leisure Centre to collect them personally, not to have them waiting outside.

IT IS VERY IMPORTANT THAT YOU CONTACT DDSC IN THE EVENT OF LATE COLLECTION, REGARDLESS OF HOWEVER LATE YOU MAY BE. THIS IS FOR THE SAFETY AND SECURITY OF THE CHILDREN.

CLUB NIGHTS

Contact the Reception Desk at Daventry Leisure Centre, 01327 871144 who will pass on your message to Club Staff.

COMPETITION NIGHTS

In addition, when your child is selected to swim at an away gala and we have taken the swimmers by bus, please make sure that you are waiting when it returns. It is unfair to expect the Team Manager to be left waiting with your child / children for you to collect them. Team Managers and Club Support Staff are not 'babysitters'.

The Team selection list will have the Contact telephone number on it.
